

Technical Seasonalities

eResearch Corporation is pleased to provide technical opinions on the market from a seasonality standpoint, courtesy of **Equity Clock**, a division of the **Tech Talk Financial Network**. **eResearch** also posts, daily, the regular technical opinions provided by affiliate: **Tech Talk: TimingTheMarket**, for which there is a link below.

Stock Market Outlook for Monday, January 30, 2017

HEADLINE: S&P 500 Index closing in on the upper limit of a rising trend channel.

The Markets

Stocks closed flat on Friday following a mixed set of economic data and weakness in the energy sector. The S&P 500 shed less than one tenth of a percent, remaining within points of the all-time high. For the week, the large-cap benchmark added just over 1%, fuelled by the strongest volume since mid-December. The index is closing in on the upper limit of the rising trend channel that has spanned the past year, giving rise to concern that the upward momentum may stall ... <... **MORE: click link below** ...>

Equity Clock Stock Market Outlook

Equity Clock

Equity Clock is a division of the Tech Talk Financial Network, a market analysis company that provides technical, fundamental, and seasonality analysis on a daily basis via TimingTheMarkets.com and EquityClock.com.

Equity Clock's mission is to identify periods of reoccurring strength among individual equities in the market using methodologies presented by some of the top analysts in the industry, including that of Don Vialoux, author of TimingTheMarkets.com.

Donald Vialoux, co-founder of Tech Talk, is a past president and director of the Canadian Society of Technical Analysts (CSTA). He holds the designation of Chartered Market Technician (CMT). Mr. Vialoux has 47 years of experience in the investment industry, including prominent positions held at Richardson Greenshields and RBC Investments. He is the author of a daily letter on equity markets, which is available free at www.TimingTheMarket.ca.

Mr. Vialoux is also the author of a weekly column published at GlobeAndMail.com that combines technical, fundamental, and seasonality analysis. He is a frequent presenter on Business News Network (BNN) Television.

Special Free Services Available through www.equityclock.com

Equityclock.com is offering free access to a data-base showing seasonal studies on individual stocks and sectors. The data base holds seasonality studies on over 1000 big and moderate cap securities and indices. For information on indicators used in the reports, please visit our [reference page](#). Any investor is permitted to use any of the content or seasonality studies (charts, timelines, or otherwise) presented as long as a link-back to this site at EquityClock.com is provided. To login, simply go to <http://www.equityclock.com/charts/>

#####

eResearch was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, our Subscribers (*subscription is free!!!*) benefit by having written research on a variety of small- and mid-cap, under-covered companies. We also provide unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis. We complement our corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals. We provide our professional investment research and analysis directly to our extensive subscriber network of discerning investors, and electronically through our website: www.eresearch.ca.
