TheUpTrend.com is a proprietary technical analysis system, devised by Stephen Whiteside, that uses charts and various technical tools to maximize trading and investing experiences.

#####

TheUpTrend.com provides intra-day, daily, weekly, and monthly technical analysis on global stocks, indexes, ETFs, and futures.

#####

Knowing when to buy, when to sell, and when to take profits are all part of a responsible and fundamental investment strategy. Execution of these parameters, for most investors, is rarely easy to accomplish. The task is infinitely easier with the use of TheUpTrend.com.

#####

By providing investors with a set of powerful Decision Support Tools, investors can dramatically increase returns and reduce risk. These tools help investors make better decisions faster, with more confidence, and less stress.
