

Technical Seasonalities

eResearch Corporation is pleased to provide technical opinions on the market from a seasonality standpoint, courtesy of **Equity Clock**, a division of the **Tech Talk Financial Network**. **eResearch** also posts, daily, the regular technical opinions provided by affiliate: **Tech Talk: TimingTheMarket**, for which there is a link below.

Stock Market Outlook for Thursday, March 2, 2017

HEADLINE: Target reached! S&P 500 hits the calculated upside target from the breakout of the 300-point range from the past couple of years.

The Markets

Stocks surged on Wednesday as investors reacted positively to Trump's speech in front of congress on Tuesday night. Major benchmarks in the US were higher by over one percent, each trading to fresh all-time highs. Gains were led by the financial sector as investors price in a greater likelihood of a March rate hike when the Fed meets in the next couple of weeks. Bonds traded lower and interest sensitive sectors traded off of their recent highs as investors rotated towards <... **MORE: click link below** ...>

Equity Clock Stock Market Outlook

Equity Clock

Equity Clock is a division of the Tech Talk Financial Network, a market analysis company that provides technical, fundamental, and seasonality analysis on a daily basis via TimingTheMarkets.com and EquityClock.com.

Equity Clock's mission is to identify periods of reoccurring strength among individual equities in the market using methodologies presented by some of the top analysts in the industry, including that of Don Vialoux, author of TimingTheMarkets.com.

Donald Vialoux, co-founder of Tech Talk, is a past president and director of the Canadian Society of Technical Analysts (CSTA). He holds the designation of Chartered Market Technician (CMT). Mr. Vialoux has 47 years of experience in the investment industry, including prominent positions held at Richardson Greenshields and RBC Investments. He is the author of a daily letter on equity markets, which is available free at www.TimingTheMarket.ca.

Mr. Vialoux is also the author of a weekly column published at GlobeAndMail.com that combines technical, fundamental, and seasonality analysis. He is a frequent presenter on Business News Network (BNN) Television.

Special Free Services Available through www.equityclock.com

Equityclock.com is offering free access to a data-base showing seasonal studies on individual stocks and sectors. The data base holds seasonality studies on over 1000 big and moderate cap securities and indices. For information on indicators used in the reports, please visit our [reference page](#). Any investor is permitted to use any of the content or seasonality studies (charts, timelines, or otherwise) presented as long as a link-back to this site at EquityClock.com is provided. To login, simply go to <http://www.equityclock.com/charts/>

#####

eResearch was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, our Subscribers (*subscription is free!!!*) benefit by having written research on a variety of small- and mid-cap, under-covered companies. We also provide unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis. We complement our corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals. We provide our professional investment research and analysis directly to our extensive subscriber network of discerning investors, and electronically through our website: www.eresearch.ca.

Bob Weir, CFA: Director of Research
