**eResearch Corporation** is pleased to provide technical opinions on the market from a seasonality standpoint, courtesy of **Equity Clock**, a division of the **Tech Talk Financial Network**. **eResearch** also posts, daily, the regular technical opinions provided by affiliate: **Tech Talk: TimingTheMarket**, for which there is a link below.

### Stock Market Outlook for Thursday, June 8, 2017

**HEADLINE: Oil falling back to the lower limit of the declining trend channel.**

#### The Markets

Stocks closed marginally higher on Wednesday as investors take a wait and see approach ahead of the events scheduled on Thursday. The day starts with a policy announcement from the European Central Bank (ECB) followed shortly thereafter with former FBI Director James Comey's testimony in front of the Senate Intelligence Committee. Capping it off is the U.K. General Election, which some are deeming to be a replay of last year's "Brexit" referendum. The S&P 500 Index is going into the event around all-time highs, although momentum indicators are showing very early signs of rolling over. <... **MORE: click link below** ...>
