

Technical Seasonalities

eResearch Corporation is pleased to provide technical opinions on the market from a seasonality standpoint, courtesy of **Equity Clock**, a division of the **Tech Talk Financial Network**. **eResearch** also posts, daily, the regular technical opinions provided by affiliate: **Tech Talk: TimingTheMarket**, for which there is a link below.

Stock Market Outlook for Friday, November 3, 2017

HEADLINE: Outside reversal candlestick on Home Construction ETF suggests caution.

The Markets

Stocks closed relatively flat on Thursday as investors got their first look at the Republican tax bill. The S&P 500 added 0.02%, bookended by financials and consumer discretionary as investors picked the winners and losers from the proposed tax plan. Home builders were particularly targeted given the cut in the mortgage interest deduction limit, ... The sluggish activity of a number of sectors in recent days is weighing on the large-cap S&P 500 Index. <... **MORE: click link below** ...>

Equity Clock Stock Market Outlook

Equity Clock

Equity Clock is a division of the Tech Talk Financial Network, a market analysis company that provides technical, fundamental, and seasonality analysis on a daily basis via TimingTheMarkets.com and EquityClock.com.

Equity Clock's mission is to identify periods of reoccurring strength among individual equities in the market using methodologies presented by some of the top analysts in the industry, including that of Don Vialoux, author of TimingTheMarkets.com.

Donald Vialoux, co-founder of Tech Talk, is a past president and director of the Canadian Society of Technical Analysts (CSTA). He holds the designation of Chartered Market Technician (CMT). Mr. Vialoux has 47 years of experience in the investment industry, including prominent positions held at Richardson Greenshields and RBC Investments. He is the author of a daily letter on equity markets, which is available free at www.TimingTheMarket.ca.

Mr. Vialoux is also the author of a weekly column published at GlobeAndMail.com that combines technical, fundamental, and seasonality analysis. He is a frequent presenter on Business News Network (BNN) Television.

Special Free Services Available through www.equityclock.com

Equityclock.com is offering free access to a data-base showing seasonal studies on individual stocks and sectors. The data base holds seasonality studies on over 1000 big and moderate cap securities and indices. For information on indicators used in the reports, please visit our [reference page](#). Any investor is permitted to use any of the content or seasonality studies (charts, timelines, or otherwise) presented as long as a link-back to this site at EquityClock.com is provided. To login, simply go to <http://www.equityclock.com/charts/>

#####

eResearch was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, our Subscribers (*subscription is free!!!*) benefit by having written research on a variety of small- and mid-cap, under-covered companies. We also provide unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis. We complement our corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals. We provide our professional investment research and analysis directly to our extensive subscriber network of discerning investors, and electronically through our website: www.eresearch.ca.
