

## Technical Seasonalities

**eResearch Corporation** is pleased to provide technical opinions on the market from a seasonality standpoint, courtesy of **Equity Clock**, a division of the **Tech Talk Financial Network**. **eResearch** also posts, daily, the regular technical opinions provided by affiliate: **Tech Talk: TimingTheMarket**, for which there is a link below.

### Stock Market Outlook for Wednesday, March 14, 2018

**HEADLINE: Trade war threatens to heat up inflationary pressures, which are already running above average on the year.**

#### The Markets

Stocks in the USA closed lower on Tuesday amidst renewed trade war concerns, particularly with China. The technology sector led the decline, retracing much of Friday's gain that followed the better-than-expected payroll report for February. ... Loss of leadership from this sector could act as a significant burden on broad market benchmarks given the weight that it holds within U.S. indices. ... In economic news, the report on the Consumer Price Index (CPI) for the month of February initially had investors cheering the result, which appeared calm. ... <... **MORE: click link below** ...>
