

VIDEO OF THE DAY

September 28, 2018

Spotlight on : RMMI Corp.

eResearch is pleased to provide a video produced by our associate, InvestmentPitch Media, ("InvestmentPitch" and formally IPE InvestmentPitch Enterprises Ltd.) on a small-cap company.

The InvestmentPitch video is usually around 3 minutes in length and outlines the company's operations, covering what it does, where it does it, and how it does it. The video becomes part of a video news alert, which is distributed worldwide across the Internet.

The video is produced in-house, is presented by an InvestmentPitch news anchor, and is usually based on a third party research report or a significant corporate news release(s).

RMMI is an Alberta-based company focused on the production, cultivation, and sale of medical marijuana in various forms.

You can access today's corporate video by <Ctrl-Click>: [HERE](#)

NOTE: Once you have opened the video, you have access to the entire InvestmentPitch website, which you can also accomplish by <Ctrl-Click> on the following logo:

eRESEARCH DISCLAIMER

eResearch Corporation was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, its Subscribers (subscription is free!!!) benefit by having written research on a variety of small- and mid-cap, under-covered companies.

eResearch also provides unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis.

eResearch complements its corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals.

eResearch provides its professional investment research and analysis directly to its extensive subscriber network of discerning investors, and electronically through its website: www.eResearch.ca.

eResearch does not manage money or trade with the general public, provides full disclosure of all fee arrangements, and adheres to the strict application of its Best Practices Guidelines.
