eResearch was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, our Subscribers (subscription is free!!!) benefit by having written research on a variety of small- and mid-cap, under-covered companies. We also provide unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis. We complement our corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals. We provide our professional investment research and analysis directly to our extensive subscriber network of discerning investors, and electronically through our website: www.eResearch.ca.

The Economic Consequences of Mr. Trump

By Project Syndicate Editors and Writers

October 24, 2018

With unemployment at a 50-year low, wages starting to pick up, and the stock market booming, the U.S. economy has defied expectations since the 2016 election.

In an exclusive new video, Nobel laureates [Angus Deaton](#) and [Edmund Phelps](#), along with [Barry Eichengreen](#), Rana Foroohar, and [Glenn Hubbard](#), ask why, and whether what looks like a robust recovery is masking another crisis in the making.
