

Channel Breakers

Daily Charts
Closing Prices: Friday, March 22, 2019

Canadian Stocks:

Every day, TheUpTrend.com records a list of those stocks, which have broken above, or below, their stock price channel lines. To access a chart, you can <Ctrl-Click> on any stock name to see the chart. See Chart Notes.

Today's list is provided on the following page.

TheUpTrend.com is a proprietary technical analysis system, devised by Stephen Whiteside, that uses charts and various technical tools to maximize trading and investing experiences.

#####

TheUpTrend.com provides intra-day, daily, weekly, and monthly technical analysis on global stocks, indexes, ETFs, and futures.

#####

Knowing when to buy, when to sell, and when to take profits is all part of a responsible and fundamental investment strategy. Execution of these parameters, for most investors, is rarely easy to accomplish. The task is infinitely easier with the use of TheUpTrend.com.

#####

By providing investors with a set of powerful Decision Support Tools, investors can dramatically increase returns and reduce risk. These tools help investors make better decisions faster, with more confidence, and less stress.

#####

FREE Video Link:

Each day of the week (usually), and before the market opens, Stephen Whiteside provides, through an audio-video presentation, a technical viewpoint on the stock market. This informative video is provided on the eResearch Corporation website and is available to all eResearch Subscribers. Stephen's 6-8 minute commentary covers the Canadian and the U.S. market, and reviews the charts of the major country indexes, company stocks, bonds, currencies, and ETFs.

#####

The detailed features of TheUpTrend.com system are available only to paid subscribers. To learn more, go to www.theuptrend.com

Note: See the subsequent Disclaimers at the end of this report.

See Chart Notes below and Disclaimers on the following page.

Chart Notes:

1. Channel Breakers charts are based on daily closing prices and are appropriate primarily for short-term “traders”. Longer-term “investors” should focus on the weekly charts.
2. You can open a chart by <Ctrl-Click> on the **Company Name** in the above list.
3. On an opened chart, a **BLUE** dot is a bullish Early Warning signal.
4. On an opened chart, a **RED** dot is a bearish Early Warning signal.
5. The dot, **Blue** or **Red**, often appears when the stock is trading inside the stock price channel. It does NOT represent a **Buy** or a **Sell** signal if it is inside the channel.
6. A **Buy** signal occurs ONLY when the stock closes ABOVE the upper stock price channel line.
7. A **Sell** signal occurs ONLY when the stock closes BELOW the lower stock price channel line.

DISCLAIMERS

eResearch Disclosure Statement

eResearch Corporation was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, its Subscribers (subscription is free!!!) benefit by having written research on a variety of small- and mid-cap, under-covered companies.

eResearch also provides unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis.

eResearch complements its corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals.

eResearch provides its professional investment research and analysis directly to its extensive subscriber network of discerning investors, and electronically through its website: www.eResearch.ca.

eResearch does not manage money or trade with the general public, provides full disclosure of all fee arrangements, and adheres to the strict application of its Best Practices Guidelines.

theUpTrend.com Disclosure Statement

TheUpTrend.com is an information service for investors and traders, and is neither a recommendation nor an offer to buy or sell securities.
