

## Channel Breakers

### Daily Charts

Closing Prices: Tuesday, April 2, 2019

#### Canadian Stocks:

Every day, TheUpTrend.com records a list of those stocks, which have broken above, or below, their stock price channel lines. To access a chart, you can <Ctrl-Click> on any stock name to see the chart. See Chart Notes.

Today's list is provided on the following page.

TheUpTrend.com is a proprietary technical analysis system, devised by Stephen Whiteside, that uses charts and various technical tools to maximize trading and investing experiences.

#####

TheUpTrend.com provides intra-day, daily, weekly, and monthly technical analysis on global stocks, indexes, ETFs, and futures.

#####

Knowing when to buy, when to sell, and when to take profits is all part of a responsible and fundamental investment strategy. Execution of these parameters, for most investors, is rarely easy to accomplish. The task is infinitely easier with the use of TheUpTrend.com.

#####

By providing investors with a set of powerful Decision Support Tools, investors can dramatically increase returns and reduce risk. These tools help investors make better decisions faster, with more confidence, and less stress.

#####

#### FREE Video Link:

Each day of the week (usually), and before the market opens, Stephen Whiteside provides, through an audio-video presentation, a technical viewpoint on the stock market. This informative video is provided on the eResearch Corporation website and is available to all eResearch Subscribers. Stephen's 6-8 minute commentary covers the Canadian and the U.S. market, and reviews the charts of the major country indexes, company stocks, bonds, currencies, and ETFs.

#####

The detailed features of TheUpTrend.com system are available only to paid subscribers. To learn more, go to [www.theuptrend.com](http://www.theuptrend.com)

**Note: See the subsequent Disclaimers at the end of this report.**

**See Chart Notes below and Disclaimers on the following page.**

#### Chart Notes:

1. Channel Breakers charts are based on daily closing prices and are appropriate primarily for short-term “traders”. Longer-term “investors” should focus on the weekly charts.
2. You can open a chart by <Ctrl-Click> on the **Company Name** in the above list.
3. On an opened chart, a **BLUE** dot is a bullish Early Warning signal.
4. On an opened chart, a **RED** dot is a bearish Early Warning signal.
5. The dot, **Blue** or **Red**, often appears when the stock is trading inside the stock price channel. It does NOT represent a **Buy** or a **Sell** signal if it is inside the channel.
6. A **Buy** signal occurs ONLY when the stock closes ABOVE the upper stock price channel line.
7. A **Sell** signal occurs ONLY when the stock closes BELOW the lower stock price channel line.

---

## DISCLAIMERS

### **eResearch Disclosure Statement**

**eResearch Corporation** was established in 2000 as Canada's first equity issuer-sponsored research organization. As a primary source for professional investment research, its Subscribers (subscription is free!!!) benefit by having written research on a variety of small- and mid-cap, under-covered companies.

eResearch also provides unsponsored research reports on middle and larger-sized companies, using a combination of fundamental and technical analysis.

eResearch complements its corporate research coverage with a diversified selection of informative, insightful, and thought-provoking research publications from a wide variety of investment professionals.

eResearch provides its professional investment research and analysis directly to its extensive subscriber network of discerning investors, and electronically through its website: [www.eResearch.ca](http://www.eResearch.ca).

eResearch does not manage money or trade with the general public, provides full disclosure of all fee arrangements, and adheres to the strict application of its Best Practices Guidelines.
